Prairie Lakes Regional Arts Council, Inc.

Prairie Lakes Regional Arts Council serves the nine county area in south central Minnesota. We provide services and programs for the development of the local artists, arts organizations and art audiences. The council administers several grant programs with funds appropriated by the Minnesota State Legislature and the McKnight Foundation. **In FY 2007 Prairie Lakes awarded 84 grants ranging from \$500 to \$2,000 for a total of \$101,580.** About 35% of those activities focused on youth. State Grants were \$67,010 and McKnight Foundation Grants \$34,570.

In our region we are fortunate to have a large variety of musical organizations and activities, both vocal and instrumental. This represents the largest art discipline we review and fund through grant applications (about 50%). In a given year, the board will review about 105 applications. Theater performances compose about 20% of all funded activities and so do visual art projects and exhibitions at 20%. Dance and literature projects are less common and represent about 5% each.

The board consists of thirteen members who represent a variety of art disciplines and are actively involved in the arts in their community. One member is selected from each of the nine counties and one representative from each city over 10,000. Their primary function is to serve as a panel for arts funding applications and to make policy decisions. Every two years a biennial plan for the region is developed and is submitted to the Minnesota State Arts Board, to receive state legislative funding.

There is currently a board position open for Sibley County and interested individuals should contact the staff at the Prairie Lakes office. New board members will also be appointed at the annual meeting in August 2008; and several board members will be retiring after serving six years on the board. They include: Maureen Gunderson, Kevin Kroeber, Ann Nelson and Margaret Sinn. Brenda Flintrop has been the Executive Director for the past fifteen years and Cindy Lewer has served as Administrative Assistant for thirteen years.

Recognition Reception

MAY 9, 2008

Program 7:00 p.m.

Welcome & Introductions:

Maureen Gunderson, PLRAC Vice-President

Brenda Flintrop, PLRAC Executive Director

Guest: Sue Gens, Interim Director, Minnesota State Arts Board

Musicians performing at the reception are Amy Kortuem, harp and CJ Mulder, guitar.

This Anniversary Brochure recognizes the contributions of all 49 current and past board members of the Prairie Lakes Regional Arts Council from 1993-2008 who have represented the nine-county area. Their dedication and service to the Arts in setting policy decisions for arts programming and serving as a panel to award arts funding to artists and arts organizations in south central Minnesota is greatly appreciated.

We are also highlighting the Artist Programs funded by the McKnight Foundation for the past fifteen years. This includes the Regional Art Exhibition which began sixteen years ago under the leadership of Brenda Flintrop, Executive Director and the board members of the Region Nine Arts Advisory Council. The Prairie Lakes Regional Arts Council succeeded that group, with a majority of those board members forming the new non-profit organization. In 1993, the Prairie Lakes Regional Arts Council was designated as the official regional arts council to serve South Central Minnesota by the Minnesota State Arts Board. We are one of eleven regional arts councils in the state of Minnesota; receiving an annual appropriation from the Minnesota State Legislature.

The McKnight Artist Program has also included grants to individual artists and a total of 149 Artist Grants have been awarded since 1993. Several of those artists also have their art work in the current Regional Art Exhibition; and their nametags by the artwork denote if they have been a past grantee. We are proud of the contributions our artists have made to the arts community in the nine-county area and pleased to present this annual regional art exhibition that recognizes outstanding artists. We wish them continued success in their artistic career.
