Mankato Symphony Orchestra - \$11,000. They will present their Symphonic Series Concert “National Monuments”, in a celebration of our country and its rich heritage of music this fall. They are planning for an in-person event but will be able to switch to virtual if needed. Funds will be used for artist and conductor fees.

The Grand Center for Arts and Culture - \$11,000. They will continue their 2021 performing arts series which features many Minnesota artists presenting a variety of music genres each weekend, and display art exhibitions in their 4 Pillars Gallery. They will also provide alternative experience formats including online gallery tours and socially distanced outdoor performances, as well as virtual performances. Funds will be used for performing artist fees, publicity, music royalty fees, and staff salary.

These activities are made possible by the voters of Minnesota through a grant from the Prairie Lakes Regional Arts Council, thanks to a legislative appropriation from the Arts and Cultural Heritage Fund.

Artist Development Grants for \$1,500 Available! September 1, 2021 - Application Deadline

This \$1,500 project grant provides financial support to artists committed to advancing their work and careers. Artists at all stages of development are eligible. This grant is for a specific project that contributes directly to your growth and development as a professional.

Because of current COVID-19 restrictions, artist grant requirements are more flexible this year. Funds may be used for supplies, mentorships, etc. as usual, but for this round of grants, artists are able to use up to 100% of funds for creative time and/or living expenses if needed.

We would like artists to explain how this grant will help them continue to do creative work during this challenging time. If requesting funds for creative time or living expenses be sure to explain how COVID-19 has impacted you in those areas.

A final exhibit or performance is NOT required for this grant; however, this may be a good time to develop your social media and online presence through Facebook, Twitter, or a website.

Applicants must show that they can do the project without needing to violate any public health guidelines.

The Goal is to Award 33 Artist Grants for a total of \$49,500 with funds from The McKnight Foundation.

McKNIGHT FOUNDATION

The Public Hearing was held on Thursday, March 25th for the Prairie Lakes Biennial Plan

Brenda Byron,
Executive Director

It was nice to have several arts constituents attend the meeting, noted Brenda Byron, Executive Director. We presented information about our FY 2022-2023 Biennial Plan and Budget at the meeting,

As required by our designation as the Regional Arts Council serving the 9-county region, Prairie Lakes outlined the draft plan for grant programs, priorities, and services to be delivered in fiscal years 2022-2023 beginning July 1, 2021 through June of 2023. We receive State General funds and Arts and Cultural Heritage funds and McKnight Foundation money to award annually. Approximately 90% of our budget comes from State funds and 10% from the McKnight Foundation.

The good news is that Prairie Lakes is anticipating a **30% increase in Arts and Cultural Heritage funds** in FY 2022, and **20%** in 2023 according to preliminary information we received from the MN State Arts Board. We are one of eleven Regional Arts Councils in the state that distributes money for arts grant programs and services in all 87 counties in Minnesota.

Preliminary information outlined that the **Arts and Cultural Heritage (ACH) grant maximums will increase** from \$11,000 to **\$13,000** for Arts Organizations that own a building or have a yearly lease agreement for

performance space (this does not include renting office space or storage space); ACH Art projects currently at \$6,000 will increase to **\$8,000**; ACH Festivals will increase from \$4,000 to **\$6,000**. The ACH School grants will be \$6,000.

In FY 2022 Prairie Lakes will continue to offer Artist Development Grants at \$1,500. We anticipate that 33 individual artists can be awarded funds, totaling \$49,500. The deadline will be September 1st. Funds are provided by the McKnight Foundation.

Final arts programs and grant amounts will be confirmed in June after the Legislative session ends, and State funds are allocated to the MN State Arts Board and the eleven Regional Arts Councils. The new fiscal year will begin on July 1, 2021 and new applications will be posted on the PLRAC website. Grant deadlines will remain similar in the next year and details are on page 10 and 11 of the newsletter.

Virtual Arts Advocacy Week a Success in February

Brenda Byron,
Executive Director

“It was great to participate in Virtual Arts Advocacy Week February 16-19, 2021 which was coordinated by MN Citizens for the Arts”, noted Brenda Byron, MCA board member and Executive Director of PLRAC.

Over 400 Arts advocates from across Minnesota participated and shared their stories with their Legislators.

We were pleased that so many artists and arts organization staff and board members could join us from the 9-county area as we did Zoom calls with legislators.

Each person could share the importance of the arts to them personally, to their organization and their community. This discussion helped our Representatives and Senators understand that State funding for the Arts is critical at this time of COVID-19 and reaches every district in the region. A list of Arts grantees from Prairie Lakes for the last two years was provided to the Legislators and the participants.

“In our meetings with Legislators we asked for their support to preserve our Legacy Amendment Arts and Cultural Heritage money and State grant funds that are administered through the eleven Regional Arts Councils and the MN State Arts Board,” noted Brenda Byron, PLRAC Executive Director.

We were able to do Zoom meetings with ten Legislators in our 9-county area and had 25+ arts constituents from the region take part in the meetings

coordinated by MN Citizens for the Arts and Prairie Lakes Regional Arts Council. Our district meetings with legislators included: District 16 Sen. Gary Dahms, 19 Sen. Nick Frentz, 19A Rep. Susan Akland, 19B Rep. Luke Frederick, 20 Sen. Rich Draheim, 20B Rep. Todd Lippert, 23 Sen. Julie Rosen, 23A Rep. Bjorn Olson, 24 Sen. John Jasinski, and 24A Rep. John Petersburg.

“We are Thankful that for Many Years our legislators have understood the “Value of the Arts” and many noted they were familiar with arts activities in their district. Several mentioned that they receive “Thank You Notes” from students who received youth scholarships from Prairie Lakes, and many arts organizations, schools and community groups that received State arts grants,” noted Brenda Byron. We have a few new legislators this year and they were receptive to learning about arts funding in their district and noted that they would enjoy attending future arts events in the community. **It was also noted that the Arts have a positive economic impact on the community when arts activities happen in town, and people also buy gas and food in town, and may do other shopping while being in town for an arts event.**

Arts constituents met with new legislator, **Representative Susan Akland** from District 19A which covers St. Peter, North Mankato, and Nicollet.

Prairie Lakes Regional Arts Council created our first Equity Taskforce in 2021

At our Prairie Lakes board meeting in November 2020 the council made some minor updates to the PLRAC Diversity, Equity, and Inclusion Statement listed below. They also identified equity and inclusion action steps for the year. One of them is to create our first Equity Taskforce.

The **Equity Taskforce** is made up of community members who represent an “underserved community”, BIPOC, or a Person with a Disability and/or LGBTQ+; and have an interest in building relationships and increasing Arts Access in their community.

The **Equity Taskforce** met with the PLRAC Staff and Executive Committee members and provided feedback on our policies, grant guidelines, and applications as it pertains to Equity and Inclusion, through a series of Zoom meetings in January, February and March 2021. Details about Equity Taskforce members are on page 5.

The goal of the Taskforce is to make suggestions on how Prairie Lakes can adjust our systems and processes to break barriers and bridge gaps that underserved communities have in participating with us and our services. A stipend was paid to Taskforce members. Prairie Lakes recognizes we can build increased connectivity and economic strength through supporting cultural and artistic expression of all social identities including race, ethnicity, national origin, age, gender, sexuality, religion, ability, socioeconomic background, and the intersectionality of these identities.

In January, six individuals volunteered to serve on the Taskforce. They began by reviewing Prairie Lakes policies, grant guidelines, and applications as it pertains to Equity and Inclusion. Their suggestions have been shared with the PLRAC Board and may result in changes to our grant guidelines and programs.

Diversity, Equity, and Inclusion Statement of Prairie Lakes Regional Arts Council

Approved April 2019 and updated November 2020.

The Prairie Lakes Regional Arts Council (PLRAC) recognizes arts and culture as inherent and vital aspects of life. Art is a proven proponent of healthy, balanced, and prosperous communities. The creation and experience of cultural and artistic expression contribute to both individual and community well-being. We believe in the ability to build increased connectivity and economic strength through supporting cultural and artistic expression of all social identities including race, tribal affiliation, ethnicity, national origin, age, gender, sexuality, religion, ability, socio-economic background and the intersectionality of these identities.

This may include historically marginalized and underserved groups such as:

- BIPOC (Black, Indigenous and People of Color) including Native American, Black/African/African American, Latino, Caribbean, Chicano/Mexican, Central American, South American, Middle Eastern/North African, Southeast Asian/Asian/Pacific Islander, Immigrants, Refugees, and Muslim individuals.
- Economically disadvantaged
- Youth and Seniors
- People with Disabilities
- LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer, etc.)

We are committed to closing access gaps in the arts with urgency and accountability. We believe sustained impact requires authentic relationships and transformative work, and to this end we are deeply invested. As stewards of public funds, including those allocated by the Legacy Amendment, PLRAC embraces the unique opportunity to ensure that all residents of the nine-county area have access to quality arts experiences. We celebrate our region as an artistic cultural hub where artists and community members from all walks of life intersect. PLRAC dedicates its work to providing key support at these vital intersections where art and community align. PLRAC is committed to engaging in the relationship building, self-reflection, community discourse, and hands-on work imperative to make our region a place where all artistic communities can thrive.

PLRAC will focus our resources to educate ourselves, modify our practices and shift our own organizational culture to challenge racial disparities as we move toward equitable arts communities. We embrace our responsibility to lead racial equity work in funding, while informing and learning from equity and inclusion in the artistic practices and programming of our constituents.

Prairie Lakes' Office Update

The Prairie Lakes office is open. Please contact us by email at plrac@hickorytech.net if you have any questions about our grant programs. We would be happy to assist you. We are committed to assisting artists and arts organizations in our region as we respond to the COVID-19 health situation.

We encourage any grantee that has had to change plans because of COVID-19 to contact us to talk about changing the details of their grant to allow them more flexibility in how they use the funds. We plan to be as flexible as possible in this regard. We understand that some events have been cancelled and we will work with any grantee to find appropriate solutions.

Governor Walz is continuing the Stay Safe order. Arts groups should anticipate that the “social distancing” guidelines will continue and this may impact your arts activities, and your planning.

Regardless of the venue or gathering, all staff and participants should maintain social distancing of at least 6 feet between households, cover coughs and sneezes, wash hands often, and stay home if sick. Face coverings are required whenever one is gathering or in a setting with others from outside their household.

Face coverings help slow the spread of COVID-19 by helping to keep the person wearing the covering from infecting others. Evidence suggests that the virus causing COVID-19 can be spread by droplets released from the nose and throat of an infected person when they cough, sneeze, sing, speak, or breathe, even if the infected person is not showing symptoms.

The FY 2021 Prairie Lakes grant applications include this information.

- Due to COVID-19 applicants must plan for events that include “social distancing” and you are required to follow the Governor’s Stay Safe Plan and the Minnesota Department of Health’s recommendations. Applicants must submit a Reopening and COVID-19 Plan.
- No projects or arts activities can take place that risk the health of the participants or audience.

We encourage all of you to stay updated with official public health sources.

Learning about Diversity, Equity, and Inclusion in the Arts

For the past two years Brenda Byron, the Prairie Lakes Executive Director has been attending meetings and workshops on the topic of **diversity, equity, and inclusion** in the Arts. This effort is also in collaboration with the eleven Regional Arts Councils in Minnesota that will focus on Intercultural Competence in FY 2021. Six meetings of the Regional Arts Council (RAC) Director's were held in 2018-2019 with a consultant that led the RAC's through this discussion. It included an individual assessment survey completed by all Directors focusing on their "intercultural competence" through survey questions and several learning sessions.

Byron noted that "It's been very interesting to explore tactical ways boards and leadership can expand our understanding of diversity, inclusion and equity and build it into our organizational culture and decision making. **All information has been shared with the Prairie Lakes Board.** It was important to learn some definitions in this area and to bring back the information to our Prairie Lakes board at several meetings." This information may also be helpful to the arts organizations and community groups we serve in the nine-county area."

"Although we may have a small percentage of racial diversity in our region, it is still important to be aware of including all people in the Arts, noted Byron. In our nine county region the White population is about 90% or higher in 8 counties and our 9th county Watonwan has 71% White, 26% Hispanic, and 3% other. **"The goal of PLRAC as an organization in FY 2021 is to strive for Equity and Inclusion in our policies, programs and the communities we serve."**

Therefore, a few new questions are being asked about Equity and Inclusion in our grant applications if an organization's project is to provide Access to the event. These questions encourage applicants to think broadly and plan intentionally to reach more people through their arts programming and activities. Arts Access activities that plan to reach new audiences and engage the public in new ways, should also think about Equity and Inclusion.

Within the context of your community, describe how your project identifies and proactively addresses barriers to engaging historically marginalized, targeted, and underserved people and identities that may otherwise have limited access to your proposed activity.

Examples might include:

- * BIPOC (Black, Indigenous and People of Color) including Native American, Black/African/African American, Latino, Caribbean, Chicano/Mexican, Central American, South American, Middle Eastern/North African, Southeast Asian/Asian/Pacific Islander, Immigrants, Refugees, and Muslim individuals.
- * Economically disadvantaged
- * Youth and Seniors
- * People with Disabilities
- * LGBTQ+ (Lesbian, Gay, Bisexual, Transgender, Queer, etc.)

Here are a few definitions we'd like to share to inform you about this topic.

Diversity. The presence of difference within a given setting. Include race, gender, ethnicity, religion, nationality, sexual orientation, language, socio-economic status, ability, geographical location and more.

Culture. A culture is a way of life of a group of people: the behaviors, beliefs, values, and symbols that they accept, generally without thinking about them, and that are passed along by communication and imitation from one generation to the next. "The way we do things around here."

Cultural difference. The fact of human difference that makes a difference in how we interact with one another.

Equity. Promote justice, impartiality and fairness within the procedures, processes and distribution of resources by institutions or systems. Eliminate root causes of outcome disparities within institutional and societal systems.

Inclusion. Individuals with different identities feeling and/or being valued, leveraged, and welcomed to fully participate within a given setting.

Intercultural Competence. The capability to shift cultural perspective and appropriately adapt behavior to cultural difference and commonalities.

Learning Strategies Toward Intercultural Competence. Cultural self-awareness including around power and privilege. Recognize overemphasis on commonalities. Increase understanding of cultural differences and understanding of cultural-general frameworks. Interact across cultural difference in ways that expand cultural understanding. Continue to build on knowledge of cultural difference and further develop skills to adapt across differences.
